

WORKSHEET
SUBTRACTION

1. Find the difference: $10 - 4$

Trace and complete the subtraction statement below.

Color in 10 beach balls, then draw an X through 4 colored-in beach balls to remove them. Count the remaining colored-in balls to find the difference.

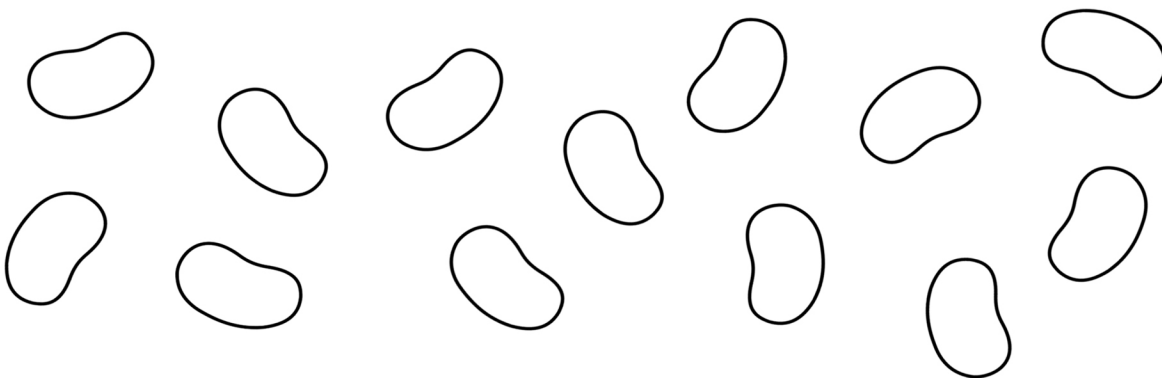

$$10 - 4 =$$

2. Find the difference: $12 - 5$

Trace and complete the subtraction statement below.

Color in 12 jelly beans, then draw an X through 5 colored-in jelly beans to remove them. Count the remaining colored-in jelly beans to find the difference.

$$12 - 5 =$$
