

# Four in a Row

Players: 2

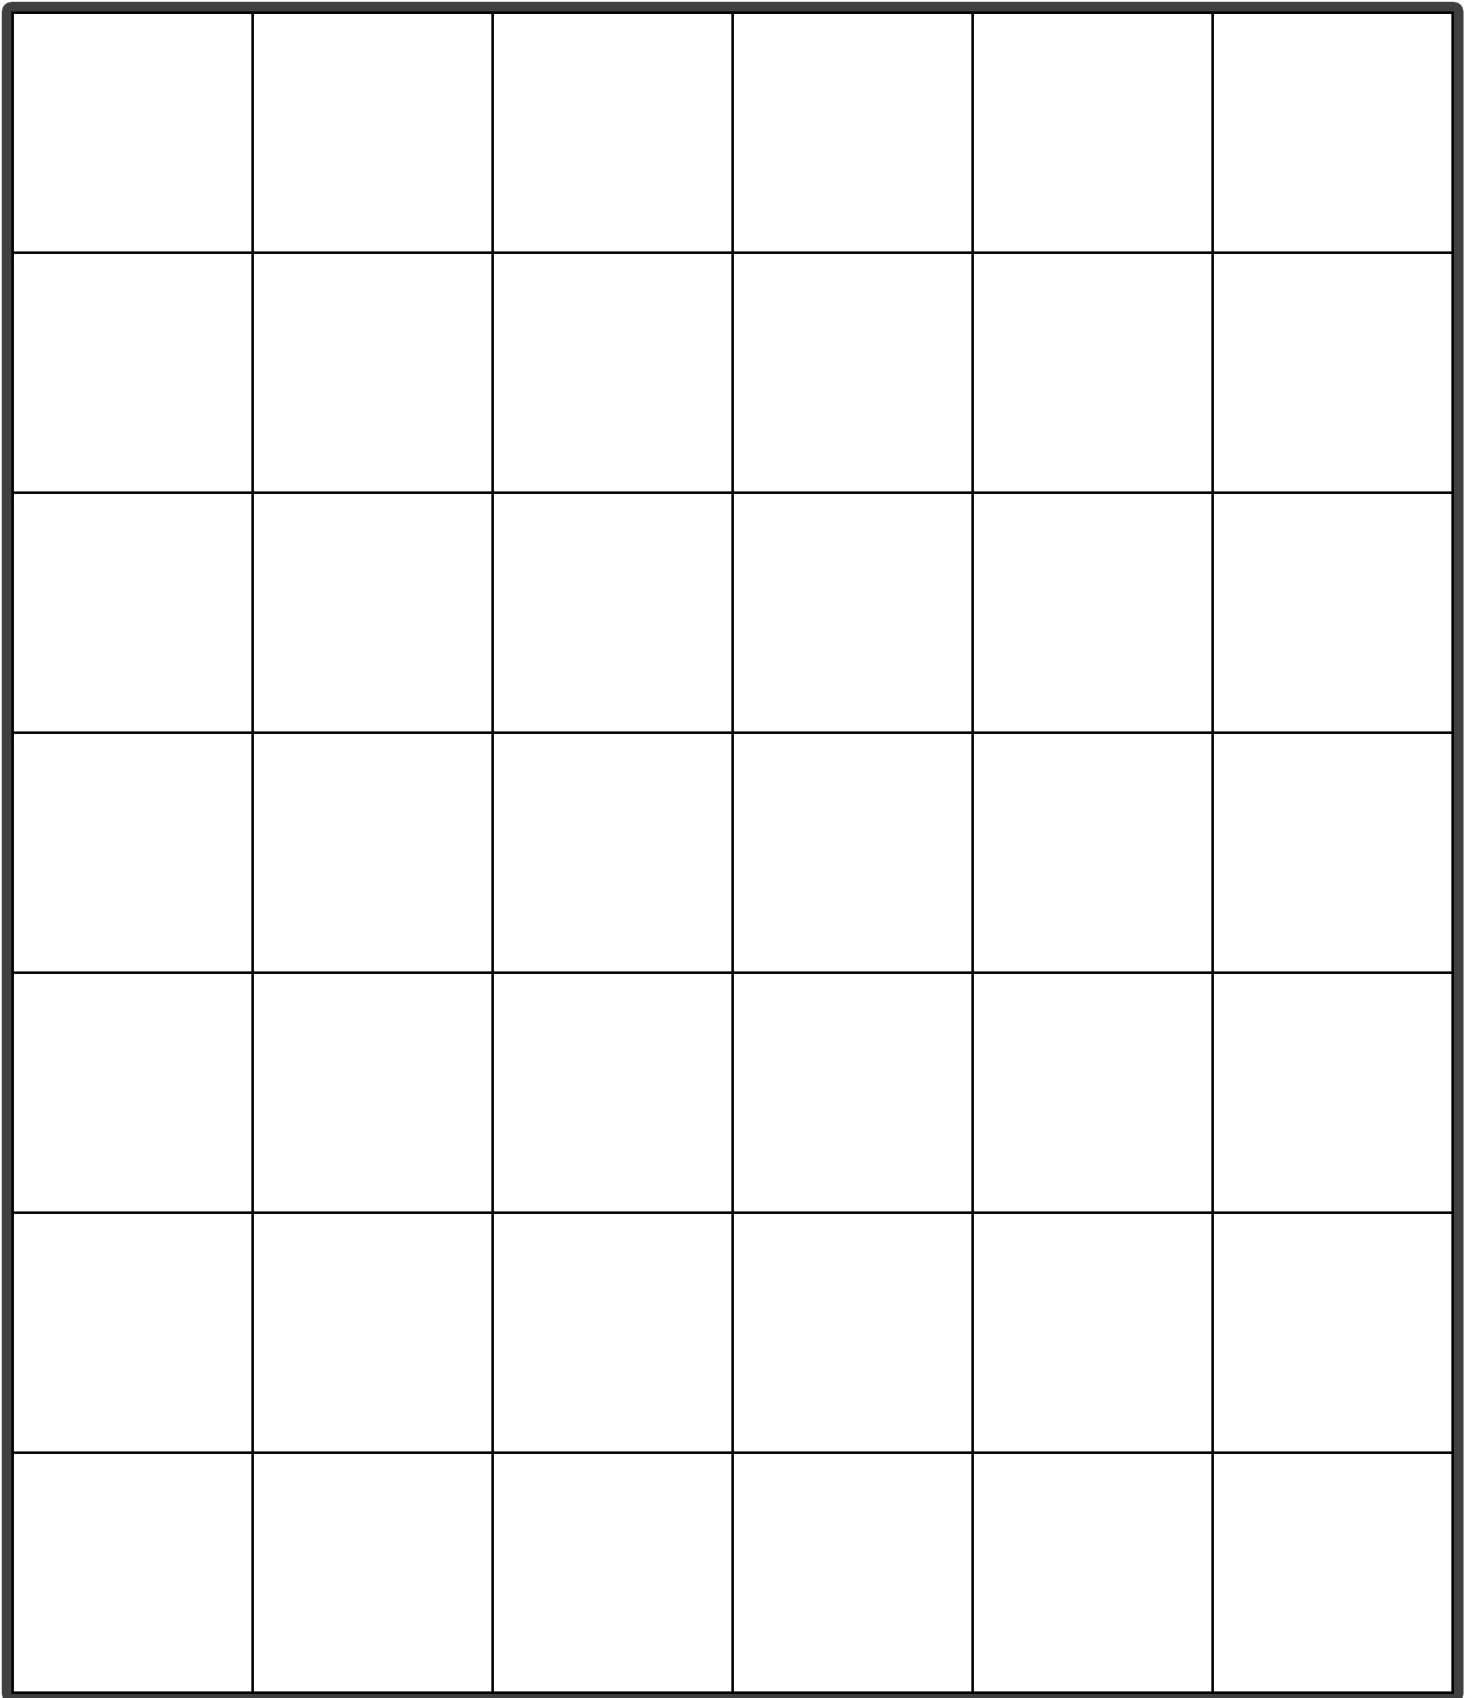

**How to Play:** Players take turns placing one marker in any open space on the grid. Use different colors or shapes to tell your pieces apart.

**Goal:** Be the first to get 4 in a row - horizontally, vertically, or diagonally.

**If the board fills with no winner:** It's a draw.

Rotate the board 90 degrees so it is 7 spaces wide and 6 spaces tall.

Print and cut out pieces for play.
