## Make Your Own Story - Word Bank: Outer Space

Cut out the words below and assemble them into your own story!

Jen Mark and far other  
faster went light night to  
see the travel rocket take  
off astronauts went miles  
Earth to space and travel  
stars to 1 moons and in  
planets one humans alien  
day we out there to the  
will stars that see use a  
telescope many away we  
than sky life come day 1
